PROFESSIONAL SUMMARY

Social media and content professional running day-to-day campaign coordination and content production for a luxury automotive dealership, from concept and captions to reporting and lead generation. Grew the dealership's Instagram from 56,000 to 70,900 followers and past 10 million organic views, then repeated that growth independently on a personal brand account built from zero. The team's go-to for AI-driven workflows, applying automation and AI-assisted design generation across digital leads, CRM processes and campaign content. Hands-on experience marketing premium automotive inventory, including Porsche, BMW, Mercedes-Benz, Audi and Land Rover, within a luxury dealership environment. Fluent in English and Swahili, with working proficiency in German (B1).

EXPERIENCE

Digital Marketing & Commercial Executive

Jul 2025 – Present

Mascardi Luxury Cars, Nairobi, Kenya

- Grew Instagram from 56,000 to 70,900 followers and past 10 million organic views, holding non-follower reach between 55–66% most months.
- Lead end-to-end social campaigns for luxury vehicle launches, producing roughly 60 Reels and carousel campaigns monthly.
- Write all captions and campaign copy and schedule every post through Meta Business Suite, keeping one consistent brand voice across 300+ pieces of content.
- Compile monthly, quarterly and ad hoc performance reports from Instagram analytics for ownership.
- Manage day-to-day DM and comment engagement, converting inbound interest into leads for the sales team.
- Serve as the team's go-to for AI-driven workflows, applying automation across digital leads and CRM processes and generating AI-assisted design content for campaigns.
- Collaborated directly with sales leadership to align digital campaigns with commercial objectives.

Freelance Video Production, Sedana Product Launch Event

Jun 2026

- Shot and edited event-day video content for the Sedana product launch at Masshouse, coordinating on-site with two partner brands to deliver short-form recap videos the same day.

Content Creator

2025 – Present

@tedkyarieh_, Personal Brand (Independent)

- Built a car-culture content account from zero to 5.54 million views and 2.65 million accounts reached in a trailing 90-day period (+40% quarter on quarter), including one video that crossed 1 million organic views on its own.
- No inherited audience, no paid promotion, no team. Proof the same content and reporting discipline used at Mascardi holds up starting completely from scratch.

International Customer Experience Specialist

May 2024 – Jan 2025

CCI Kenya

- Represented the brand across international customer touchpoints, resolving inquiries inside CRM systems while consistently meeting satisfaction and performance targets, early grounding in how tone and consistency shape brand perception.

Brand Ambassador & Sales Representative

May 2023 – Oct 2023

FCM Travel Solutions

- Represented the brand at promotional events and campus activations, generating qualified leads through direct, in-person engagement.
